

Occupational Therapy

NO NEED TO WAIT!

Visit one of our offices or we can come to you.

One week max wait period.

Our experienced Occupational Therapists are AHPRA registered and are able to provide an extensive range of services due to their broad qualifications and experience, including in sensory, paediatrics, behaviour management, wheelchair and seating prescription, driving, assistive technology, home modifications and much more. We also have experience working with individuals with complex behaviours.

These services can be funded by the NDIS, Employment/Disability Services Providers, My Aged Care, and privately.

The NDIS Support Categories that may cover these services includes:

- Improved Daily Living
- Improved Relationships
- Finding and Keeping a Job

Services Include:

- 🌀 Home Modifications Assessments (including complex)
- 🌀 Driving assessments
- 🌀 Supported Independent Living (SIL) Assessments
- 🌀 Sensory Assessments
