

Positive Behaviour Support

NO NEED TO WAIT!

Visit one of our offices or we can come to you.

One week max wait period.

ORS is a registered provider of Positive Behaviour Support services in NSW, ACT and WA. We employ a large range of experienced and registered Behaviour Support Practitioners including Registered and Clinical Psychologists, and Occupational Therapists with extensive experience in managing and reducing the full spectrum of behaviours of concern and restrictive practices.

We specialise in Autism, Intellectual Disability, Forensic, Culturally and Linguistically Diverse, Children, Severe and Persistent Mental Illness, Comorbidity, and Eating Disorders.

These services can be funded by the NDIS, My Aged Care, and privately.

The NDIS Support Categories that may cover these services includes:

- Improved Daily Living
- Improved Relationships

Services Include:

- 🌀 Behaviour Support Plans (specialised / restrictive practices)
- 🌀 Behaviour Plan Implementation
- 🌀 Staff/Family/Carer Training
- 🌀 Restrictive Practices Consulting and Training
- 🌀 Functional Behaviour Support Assessments
- 🌀 Risk Assessments
- 🌀 Sensory Assessments and Training
- 🌀 GP/specialist liaison

“Thank you for your organizations quick response to our referral and development of the interim plan. I am highly impressed by your response time and engagement of clinicians”.
