

Occupational Therapy

NO NEED TO WAIT!
Maximum 1 week wait period*.
Visit one of our offices or we can come to you.

Our experienced Occupational Therapists are AHPRA registered and are able to provide an extensive range of services due to their broad qualifications and experience, including sensory, paediatrics, behaviour management, wheelchair and seating prescription, assistive technology, home modifications and much more. We also have extensive experience working with individuals with complex behaviours.

These services can be funded by the NDIS, Employment/Disability Services Providers, My Aged Care, WAPHA or Privately.

The NDIS support categories that may cover these services include:

- Improved Daily Living
- Improved Relationships
- Core

Our Services Include

- Functional Daily Living Skills Assessments
- Support Independent Living (SIL) Assessments
- Sensory Assessments
- Activities of Daily Living Assessments
- Risk Assessments
- Home Modification Assessments (including complex)
- Assistive Technology Assessments
- Workplace Assessments
- Skill training in toileting, sleep, ADL activities, life skills, fine gross motor coordination, handwriting and fatigue management
- Telehealth
