

# Psychology

**NO WAIT LISTS!\***  
Visit one of our offices or we can come to you.

Our experienced Psychologists and Counsellors are able to provide an extensive range of services due to their broad qualifications (including many with PhD's, Doctorates and Masters Qualifications), wide-ranging experience and our internal professional development program.

ORS employs AHPRA Registered and Clinical Psychologists, and ACA registered Counsellors.

These services can be funded by the NDIS, Employment/Disability Services Providers, My Aged Care, or Privately.

The NDIS support category that may cover these services include:

- Improved Daily Living
- Early Childhood Intervention
- My Aged Care
- Privately paid
- Lifetime Care (iCare)

### Our services include:

- Psychological Assessments
- Clinical Psychosocial Assessments
- Autism Assessments
- Clinical Psychological Assessments
- Counselling (including child, individual, couples and families)
- IQ/Cognitive Assessments
- Risk Assessments
- Functional Assessments
- Critical incident response counselling/ incident debriefing
- Mediation
- Vocational Assessments
- Careers Counselling
- Employee Assistance Programs (EAP)
- Dealing effectively with aggressive individuals/ incident prevention training
- Resilience and mental wellness training
